May 18, 2024

To the Citizens of Larimer and Jackson Counties,

It is with great pleasure that the Northern Colorado Fraternal Order of Police Lodge #3 is endorsing and supporting Dawn Downs for District Attorney in the upcoming race for the 8th Judicial District.

NOCO FOP Lodge 3 represents approximately 430 members from different law enforcement agencies in the northern Colorado area. Many members have worked with Dawn over the last 14 years she has been in the District Attorney's office.

Throughout her years of experience Dawn has proven she stands for public safety and prosecution of criminals. Her current duties include legal advisor for Fort Collins Police Services, Emergency Management, Code Enforcement, and Supervisor of the Municipal Prosecution team. Dawn has also shown her commitment to Law enforcement by supporting and prosecuting those criminals who assault peace officers.

Dawn looks to strengthen Law Enforcement relationships with deliberate collaborative contact and personal interaction with its members. She also plans to seek additional training and experience for current employees and to use some of her past resources and relationships to build a stronger office. Dawn looks to continue her commitment to victims and witness' by advocating for them.

Our law enforcement officers, who put their own safety on the line to protect the public, witness the revolving door of crime and have no tools to stop it. Dawn is committed to working with all the stakeholders in this arena to find ways to address this and protect our community.

Dawn Downs will fight for the victims of crimes, a safe community and support your Law Enforcement. Dawn Downs is the best choice for Larimer and Jackson Counties and their cities.

We urge the citizens of the 8th Judicial District to vote for Dawn Downs if they want a true leader that will defend and protect them. Dawn has earned our endorsement and Dawn Downs is the best choice for the next District Attorney for Colorado's 8th Judicial District.

Fraternally,

President Mike Langley
