District Attorney Endorsement

To the Citizens of Loveland,

The Loveland Fraternal Order of Police is proud to announce its support and endorsement for Dawn Downs, in the election of District Attorney for the 8th Judicial District.

The Fraternal Order of Police is the voice of those who have dedicated their lives to protecting and serving their communities. The vast majority of police officers at the Loveland Police Department are members of the Fraternal Order of Police. Loveland FOP Lodge 52 is committed to finding ways for local government and its law enforcement officers to work together to find solutions to issues facing the men and women who protect and serve their communities.

We have examined the credentials, experience, and dedication to their community of each candidate running for District Attorney and we believe Dawn Downs will be a voice of responsibility, integrity, and accountability as the District Attorney in the 8th Judicial District.

We believe Dawn possesses strong leadership skills and understands how important it is for the District Attorney's Office to build solid relationships with local law enforcement agencies and work together to improve the criminal justice system by focusing on the real issues facing our communities and protecting the rights of victims.

We urge citizens to vote for a strong, knowledgeable candidate and to elect Dawn Downs to serve as the District Attorney for the Colorado 8th Judicial District.

Fraternally,

Jennifer Hines
President
